

I believe that K-LOVE christian station is a positive and uplifting station, that helps me during tough times. It is also a relief to know that I can listen to it and never worry about my child may hear. We have so few Christian stations, can't you give them a break? If it is displaced by an LPFM broadcaster that provides other programming, then there will be issues whether a Christian should listen to it because maybe the other programming is against their beliefs. In my area, K-LOVE is heard on 91.3, 106.3 & 92.1 and they are listener supported. I believe that the service provided by K-LOVE is in the public interest because it brings people together with a common belief and promotes community involvement. Thank you for listening.
